

# Adult Program

## Forest Ridge Outdoor Social Club

### Friday, June 7, 2019

Forest Ridge Park is the City of Raleigh's newest and largest hub for outdoor recreation opportunities of all kinds. We are in the process of developing an adult social focused club that creates opportunities to connect the community to the outdoors here at the park and beyond.

Though the club is in the developmental stage, this is a great opportunity to get involved. This meeting will offer opportunities for you to share ideas for activities, speakers and focus groups for the club. The club is open to all adults, feel free to bring your friends!

Are you interested in helping organize or be an officer for the club (President, Vice President, Secretary, Treasure, etc.)? Don't worry if you don't have experience in these positions. As long as you have the desire and drive, the Adult Program and Forest Ridge staff offers ongoing assistance to the club and its officers

Join us for a night of guided hikes and bike rides, to learn about the park, opportunities to support the club and spend time with a community of other outdoor enthusiasts.
